Nat'l Child Welfare Eval. Summit

The 21st Annual Waiver Demonstration Project Meeting occurred August 22-23, 2019 in Washington, DC. Topics included: Reflections on Waivers Over Time, Findings from Final Evaluation Reports, Sustaining Child Welfare Practices, and National Study Findings.

As an update, it was stated at the end of the meeting that a Final Progress Report is required, however, ACF has confirmed that Pennsylvania's Semi-Annual Report January-June 2019 documentation is sufficient as a Final Report. Thank you everyone for providing the additional detailed information within the reports over the past few years.

Thank you to all waiver county, University of Pittsburgh, and OCYF representatives that participated in the Annual Waiver Demonstration Project Meeting. As a side note, this year's meeting was the final.
