Evaluation Updates from the CWRC

We are in the last month of data collection and have been in touch with many of you about observations of conferences, SPANS etc. As we finalize data files for analysis, we may have questions.

We appreciate your prompt response to our e-mails or telephone calls or calls from Laura or Britany.

Thank you for your ongoing work with us on this evaluation. This evaluation was a great challenge and we could not have done it without your help.
