

Steps in the Family Service Planning Process

Instructions: For developing the initial FSP, put the correct number in front of each step so that they are in chronological order from 1 to 11.

- ___ Identify the permanency goal with the family
- ___ Identify the tasks
- ___ Formulate a Comprehensive Family Assessment (with the family)
- ___ Monitor the plan
- ___ Assess the family's agreement with Safety Assessment, Risk Assessment, screenings, and evaluations
- ___ Review the findings from the Safety Assessment, Risk Assessment, screenings, and evaluations with the family
- ___ Document the plan in written format, review rights, and secure signatures
- ___ Engage the family in the entire planning process
- ___ Implement services associated with the tasks
- ___ Identify the objectives
- ___ Revise FSP on an ongoing basis when circumstances change
