### Important Announcements

Hello County Administrators and Training Liaisons!

As you know, transfer of learning is a valuable tool in the training of your staff. It helps them to use the information they learn in ways that will help the information stick.

To that end, the Child Welfare Resource Center is implementing a new process for evaluating how people are identifying next steps and the successes they have had in implementing the process **following their participation in a Transfer of Learning Session** (for example, 1300: Safety Assessment: a Collaborative and Strengths-Based Approach: Support Session):

- Reflection and Next Steps tool to identify what they want to work on and barriers that may get in the way of accomplishing those goals
- In 30-days the worker will receive a **brief** follow-up survey from Bridge asking them to **do the following**:
  - ⇒ Rate their confidence level in the area they chose to work on
  - ⇒ Identify supports they have utilized to gain confidence in the identified area
  - ⇒ Identify barriers they have encountered
  - ⇒ Identify supports/resources that would help them continue to grow and gain confidence in the identified area

### Inside this Issue:

*Regional Team Contact Information* 3

We plan to use this information to help guide the continued development of supports for our workforce. We ask for your support in encouraging your staff to participate in the process and share with you what next steps they have identified after a session.
