Returning CWRC Training Materials

- There have been some challenges lately
- When packages are returned, staff check to be sure all items are included
- If something not returned, trainers will receive an email and their invoice will not be processed until there is a resolution

CPSL Updates

- Group has been meeting
- Sharon England is the project lead
- Updating curriculum with CPSL information
- We are watching legislation, hoping some bills will be passed by the end of the month
- Looking for implementation dates
- We can make a fact sheet for trainers listing changes until curriculum is updated
- Helping the legislation understand how changes impact implementation
- Stay tuned

Training Reminders

- Maintenance People/Other Visitors
 - When training in one of our leased facilities, please contact the resource specialist when visitors come there
- Participants only attending part of workshop
 - Ideal would be to take entire training at one time
 - When someone shows up for one day only, please note in the comment section on the trainer feedback form
 - We are tracking instances in order to serve participants and counties better
- Computer Equipment
 - Please let computer equipment turned on
 - Automatic updates cannot be run if computer turned off
 - Turn off LCD remotes, projectors, TV
- Training evaluation
 - New format—switching from scantron to teleforms
 - No changes to data—not the red form but will still be a bubble form

Questions/Open Forum

- Changes to Safety plans due to lawsuits
 - Please be sure to tell participants to ask at their county
 - Business as usual; training curriculum not changing at this point
 - There is a Due Process Workgroup
 - Cindy Horshaw, OCYF legal, resource center staff, county administrators, attorneys (approximately 40 people)
 - Some counties shared various ways they are changing including using courts differently and no safety plans
 - We will be coming back with more guidance for trainers
- Obtaining professional development hours due to CTAG events being cancelled
 - We are discussing a possible combined event with diversity task force and supervisor event for the Spring
 - Potentially offering Critical Thinking training via Webex
 - Several pilot trainings coming up that trainers can attend

Next meeting: Wednesday, December 11, 2013
