TRAINING GUIDE
FOR THE
ALTOONA TRAINING LAB

3333 Beale Avenue
Logan Plaza
Altoona, PA 16602
Dear Trainer,

One of the core values of The Pennsylvania Child Welfare Resource Center is to ensure high quality training services to child welfare professionals. Providing appropriate and organized training locations is part of this value. To assist you in implementing this service, the Resource Center would like to provide you with information regarding each of the training locations that is used to deliver training. The purpose of the guide is to give you detailed information about the facility and the area where it is located. The guide consists of the following sections:

- Area and Facility Information
- Training Room Information
- Closing the Training Day and Emergency Information

The Resource Center appreciates your involvement and support in the achievement of providing an organized and productive learning environment. It is our hope that this guide is a useful informational tool for you to use and refer to during the training event. Your input is welcomed for additional helpful information that should be added as part of the guide.

Sincerely,

The PA Child Welfare Resource Center

Accessing the Building:
Entry into the building: Individuals utilizing the training room will receive keys to access the building. The keys will be sent via the mail, three weeks prior to the training day. Because your key will open the door that leads directly to the training room from the outside, this training room can be accessed at any time. The square shaped key unlocks the main door and the round key is for the office and supply closet. We ask that you DO NOT lock the office or closet.

Parking: Parking is free and is available in the lot along the plaza.

Special Accommodations:
In the case that you have a participant requesting an accommodation due to a disability that was not already brought to your Resource Specialist's attention:

- Parking is available at the front of the building.
- Each training room is equipped with one adjustable table. The adjustable table has a lever underneath, which allows the trainer to adjust the height of the table.
- There is a ramp onto the sidewalk near Hungry Howie’s.

Altoona, PA 16602

Please turn off lights and take sign-in sheet with you.

There are two doors to the training room:
One is the main entrance/exit.
The second is the set of double doors located in the rear of the training room.

Exit through front/main door if possible.
If you must exit using the back door turn left and follow along building.

Proceed to Sheetz parking lot.

Ensure that all participants are there.

Call 9-1-1.

Call your Resource Specialist to report the emergency.

Resource Center Contact:
Your contact person for the Altoona Training Room is Michael Danner, Central Region Resource Specialist. You can reach him at 1-877-CWP-PITT (297-7488). This is a toll free number that has been set up for use by the trainers. Please contact him for any technical or facility issues, such as plumbing and heating.
TRAINING ROOM INFORMATION

Training Room Location:
The training room is in Logan Plaza. The main door has a University of Pittsburgh logo on it and a sign above it. This door leads you directly into our training facility.

Restroom Location:
There are two uni-sex bathrooms at this location. One is located in the lobby area and one is in the back of the training room.

Smoking Information:
Smoking is not permitted in the building. The smoking area is located outside of the front entrance. Please utilize the canister for butt disposal. Please be considerate of participants who choose not to smoke and step away from the entrance to the training room while smoking.

Training Room Layout:
When you first enter the facility, the office will be on your left and a waiting area on your right. One of the two restrooms is also located off of the waiting area. There is a short hallway that leads to the training space. The left hand side is the front of the room. There are 6 round tables with chairs throughout the room for participants and a long table at the front for trainer use. There is also a long table in the back set up for additional use. The water cooler is located near the supply closet.

There is a set of double doors in the rear of the training room. These can be opened to access the back of the building, in order to bring in training materials or to access the dumpster. Please make sure that they are securely closed after any use.

There are several sets of outlets throughout the room and a telephone jack in the rear.
Training Equipment Availability and Location:
You will find a TV, VCR, DVD, overhead projector, LCD projector, lectern, radio with CD player, and 2 easels with pads at the front of the training room for your use. There is a computer with a printer in the office.

Training Supplies Availability and Location:
You will find many additional training supplies in the office area, which is the first room on your left when you enter the training room. Resource and reference books are located in the closet in the front of the training room. Additional flipchart pads are also located in this supply closet. Please inform your Resource Specialist if any supplies are running low.
CLOSING THE TRAINING

Checking the Room:
Please ensure the following is completed before leaving the room:

- Tables are clear of paper and trash
- Equipment is put away in the proper place for use by the next trainer
- Supplies are returned to the proper place
- Blinds are down
- Lights are off
- Thermostat is turned down in winter (60 degrees) or up in summer (70 degrees)
- Doors leading outside are locked

Returning the Building Keys/Materials:
You will receive a self-addressed envelope with the training materials. The attendance sheet, workshop evaluations, keys to facilities, curriculum supplies and signed trainer invoice should be returned immediately after the training in order for us to get the training supplies to other trainers. If the materials are not received, or are missing, your invoice will be held until the missing material(s) are returned.

Trash Disposal/Cleaning Services Available:
The trash can be placed in the trash cans found in the training room. The building custodians will clean the room and empty the trash each evening. If you are holding a two day training, please leave a note on the door if you choose to not have the room cleaned prior to the second day.

Water Services Available:
Water is located at the side of the training room. If additional water is needed please contact your Resource Specialist and more can be ordered.

Extra Handouts:
Please **DO NOT** leave extra handouts on the tables of the training room. There is a recycling container located in the training room.
