Dear Training Participant:

Enclosed you will find the required pre-work for the *Protective Capacities for In-Home Safety Assessment Booster Shot* training. This pre-work must be completed prior to the training. It will be used for an activity during a significant portion of the training, so it is very important that you complete your pre-work prior to the training.

In advance, we thank you for your assistance and efforts. If you have any questions, please contact the Resource Center.

Sincerely,
Resource Center Staff
