Dear Participant:

Re: Pre-work Activity

Thank you for your recent registration for the *303: Childhood Mental Health Issues: An Introduction for Child Welfare Professionals* workshop. Attached you will find a copy of the pre-work material necessary for this training. Pre-work activities are included in trainings in an effort to help participants not only prepare to attend the training but also to get the most information out of the training. Please complete the pre-work, as your trainer will reference the information contained within the pre-work activities throughout the workshop.

If you have any questions about the pre-work activity, please feel free to contact the Resource Center at (717) 795-9048.

Thank you for your continued support of the Pennsylvania Child Welfare Resource Center.

Sincerely,

Enclosure

PRE-WORK

To better aid your participation in *Childhood Mental Health Issues: An Introduction to Child Welfare Professionals*, please take the time to complete the following tasks prior to attending the training.

- Assess the prevalence of child/adolescent mental health issues on your caseload;
- Review a child/adolescent's psychological/psychiatric evaluation; and
- Review what mental health services are available in your county.
