

## Action Plan

Transfer of learning is important in helping you to prepare to use the knowledge that you gained in this workshop to your efforts as a child welfare professional. This activity will help you think about how to use the knowledge that you now have and will prepare you to use it on the job. Please complete the following information. If you have any questions, please talk with your trainer.

- ❖ What are three concepts that you learned today that you can apply to your efforts as child welfare professionals?
