

Discussion Questions

- *How prevalent is the concept of teaming in your local child welfare system?*
- *How would your families, staff, community, providers and state partners describe your agency's collaborative teaming efforts?*
- *Which existing teams beyond concurrent planning teams within my agency have opportunities to move through the collaboration continuum?*
- *Would the team be expected to coordinate, cooperate, collaborate, or integrate?*
- *What will be the challenges for the team in moving through the collaboration continuum?*
- *What role do you as the agency leader have in making that happen?*
- *How can the TA Collaborative help your team move through the continuum?*
