

Pre-work for 700: Moving Through the Collaboration Continuum to Improve Permanency Outcomes

Dear Leadership Academy Participant:

Thank you for registering for the Leadership Academy Quarterly Session, **700: Teaming Efforts to Improve Permanency Outcomes** on March 20, 2013. While our session will highlight the Technical Assistance (TA) Collaborative and their teaming efforts to support concurrent planning in Pennsylvania, the session will not be a training on concurrent planning. Your learning will be greatly enhanced if you are already familiar with the requirements of the Concurrent Planning Policy and Implementation: OCYF Bulletin 3130-12-03 and the background of the TA Collaborative. Therefore, in preparation for the session, please complete the following tasks prior to our session:

Read the Concurrent Planning Policy and Implementation: OCYF Bulletin 3130-12-03. It can be found at <http://www.fcu.pitt.edu/files/Concurrent%20Plan%20Bulletin.pdf>

Review PCYA's Guide to the TA Collaborative. It can be found at <http://www.pcy.org/Pages/TechnicalAssistanceResources.aspx>

We look forward to seeing you on March 20, 2013 at the Leadership Academy Quarterly Session.

Sincerely,

The Leadership Academy Quality Assurance Committee (QUAC)
